

UNIVERSITY OF PUGET SOUND - SCHOOL OF PHYSICAL THERAPY ADVISING MANUAL

PREREQUISITES FOR ADMISSION TO THE DOCTOR OF PHYSICAL THERAPY PROGRAM

WASHINGTON COMMUNITY & TECHNICAL COLLEGE COMMON COURSE NUMBERING

Students must have a bachelor's degree from an accredited college or university and may prepare for Physical Therapy while pursuing any major course of study (a major designed as pre-PT will not necessarily benefit an application).

Please note that Puget Sound is a semester-based institution; most year-long course sequences taken at quarter system schools will require three courses, rather than two.

- 1. Human Anatomy and Physiology** (laboratories must be included in at least one course in the sequence): Puget Sound's EXSC 221 & 222 or equivalent.
- 2. Fundamental Chemistry** (laboratories must be included in at least one course in the year-long sequence): Puget Sound's CHEM 110 & 120, or CHEM 115 & 230, or equivalent.
- 3. General College Physics** (laboratories must be included in at least one course in the year-long sequence): Puget Sound's PHYS 111 & 112, or PHYS 121 & 122, or equivalent.
- 4. Elements of Applied Statistics:** Puget Sound's MATH 160, or PSYC 201 & 301, or equivalent.
- 5. Human Behavior:** One course in Psychology or Sociology emphasizing human behavior or disability. Puget Sound courses that fulfill the requirement include PSYC 101 Introduction to Psychology; PSYC 320 Psychological Disorders; SOAN 101 Introduction to Sociology; SOAN 202 The Family in Society; SOAN 206 Deviance and Social Control; or SOAN 370 Disability, Identity, and Power.

Prerequisite courses should be completed within 10 years of *entry* into the program. If a longer time has elapsed, the applicant must request a waiver of this policy by answering the question in PTCAS documenting how their knowledge has been kept current.

All prerequisite courses must be taken for a letter grade (not Pass/Fail), and students must earn at least a "B" (3.0) grade in each course. Because course content can be divided into specific courses in different ways, the faculty highly recommends that each science prerequisite course sequence be completed at a single college or university.

A minimum cumulative undergraduate GPA of 3.00 is also required for admission.

Physical Therapy Prerequisites

ANATOMY & PHYSIOLOGY (choose 1 sequence)

- BIOL& 231 & 232 (both) - Human Anatomy & Physiology
- BIOL& 241 & 242 (both) - Human Anatomy & Physiology 1 & 2
- BIOL& 251-253 (all) - Human Anatomy & Physiology I, II, & III

CHEMISTRY

- CHEM& 121 & 131 (both) - Introduction to Chemistry, Organic/Biochemistry
- CHEM& 121-123 (all) - Introduction to Chemistry, Organic Chemistry & Biochemistry
- CHEM& 141-143 & 151-153 (all) - General Chemistry I, II, & III & General Chemistry Lab I, II, & III
- CHEM& 161-163 (all) - General Chemistry with Lab I, II, & III

PHYSICS

- PHYS& 114-116 (all) - General Physics with Lab I, II, & III
- PHYS& 124-126 & 134-136 (all) - General Physics I, II, & III & General Physics Lab I, II, & III
- PHYS& 221-223 (all) - Engr Physics I, II, & III w/ Lab
- PHYS& 231-233 & 241-243 (all) - Engineering Physics I, II, & III & Engineering Physics Lab I, II, & III

STATISTICS (any 1)

- MATH& 146 - Introduction to Statistics

BEHAVIORAL SCIENCE (any 1)

- PSYC& 100 - General Psychology
- PSYC& 180 - Human Sexuality
- PSYC& 200 - Lifespan Psychology
- PSYC& 220 - Abnormal Psychology
- SOC& 101 - Introduction to Sociology
