Program Information

Program Description	The Physical Therapy Program at the University of South Carolina offers students a unique opportunity to develop clinical physical therapy skills in an intimate learning environment. The small size of our enrollment (up to 30) allows students to have a number of opportunities such as: small labs and individualized instruction, completing a clinically relevant research project; and teaching opportunities. Our graduates have consistently scored above average on the license exam and have a reputation of success and being leaders in the profession.
