## Program Information

This program has been granted Candidate for Accreditation status by the Commission on Accreditation in Physical Therapy Education (3030 Potomac Avenue, Suite 100, Alexandria, VA, 22314; phone: 703-706-3245; email: [accreditation@apta.org](mailto:accreditation@apta.org)). Candidate for Accreditation is a pre-accreditation status of affiliation with the Commission on Accreditation in Physical Therapy Education that indicates the program is progressing toward accreditation and may matriculate students in professional courses. Candidate for Accreditation is not an accreditation status nor does it assure eventual accreditation.

## Program Information

<p>Program Description</p>	<p>Move toward a fulfilling career in the unique Doctor of Physical Therapy (DPT) program at Indiana Wesleyan University. Our DPT program is dedicated to the development of autonomous practitioners, motivated through faith, who can effect change toward healthy outcomes for the individual, and the local, regional, national and global community through service, leadership, advocacy and exemplary, evidence-based clinical practice.</p> <p>Check out our website at <a href="https://www.indwes.edu/adult-graduate/programs/doctor-of-physical-therapy/">https://www.indwes.edu/adult-graduate/programs/doctor-of-physical-therapy/</a> for more information. There you will see options to sign up for a Virtual Open House or submit your unofficial transcript for review and suggestions for strengthening your application. Or contact us at <a href="mailto:Physical.Therapy@indwes.edu">Physical.Therapy@indwes.edu</a> to ask any specific questions.</p> <p>Our Program Distinctives include:</p> <ul style="list-style-type: none"> <li>• Christ-Centered- <i>Our program's learning culture promotes and facilitates Christian professional values &amp; attitudes.</i></li> <li>• Required Academic Global Experience - <i>An interprofessional global health care experience with OTD students is included in the tuition at no additional cost to the student.</i></li> <li>• Coordinated Integrated Curriculum - <i>Our curriculum is carefully integrated to build on prior courses and life experiences as well as early integrated patient experiences.</i></li> <li>• Early Integrated Clinical Experiences - <i>Our students gain clinical and community experiences in every term, starting with the first trimester.</i></li> <li>• - Senior mentor/ Inspire program - <i>Students are paired with a local senior citizen who has been screened to provide skills practice opportunities, spiritual and emotional support and celebrate student success.</i></li> </ul> <p>Due to our strength as the largest private University in the state of Indiana, IWU has access to classroom and lab resources that are unrivaled in our region. At Indiana Wesleyan University, students learn in unique state-of-the-art facilities and lab spaces, including a well-equipped sensory-based pediatric lab, and an anatomy and neuroanatomy cadaver lab outfitted with media-based technologies. Our human motion and musculoskeletal labs include XSensor?? pressure mapping technology utilized for assessing and managing seating systems and a Dynavision2?? machine to evaluate and treat visual motor integration. Additionally, we have an entire three-bedroom ???ADL House??? offering students hands-on, realistic opportunities to develop assessment and training skills in environmental modifications, functional mobility and transfers, adaptive equipment, and improving skills to perform activities of daily living. We have the only lab in an OT educational program in Indiana with a Bertec?? computerized dynamic posturography machine for evaluating and addressing balance and mobility issues. Finally, we have a state-of-the-art human motion capture laboratory utilizing 14 interconnected high-speed cameras which produces three-dimensional models of human movement patterns.</p> <p>The DPT program is privileged to be part of the School of Health Sciences at Indiana Wesleyan University.
